# Caribbean Pool & Tiki Room

From the lush tropical trees and plants to the waterfall gently cascading into the oversized 26' by 36' sports pool, you will feel as if you are in the Caribbean. The 20-person hot tub with its multiple jets will ease even the tensest of muscles. For a truly decadent experience, the steam room and sauna will make you feel as if you are in a high-end spa. Afterwards, stand under an arbor of leaves for a refreshing shower before jumping back in the pool for an invigorating swim.

You can watch one of the 55" TVs in the Tiki Room while still being able to oversee your children in the pool or let the kids play some of the many arcade games you will find in the Tiki Room.

The Caribbean Room is the perfect place for your child's birthday or get together. Call about our rental rates and policies.

Unlike most hotel pools, you can swim whenever you like because our pool area is open 24 hours a day for guests. Bring your family and friends out to the Sunset Inn & Suites for a day of fun and a night of relaxation.

Ask us about our day passes from 11am-6pm daily. The locker rooms are spacious. Bring your own lock for a secure place for your belongings. You may wish to end your visit with an invigorating shower to go back to the real world.

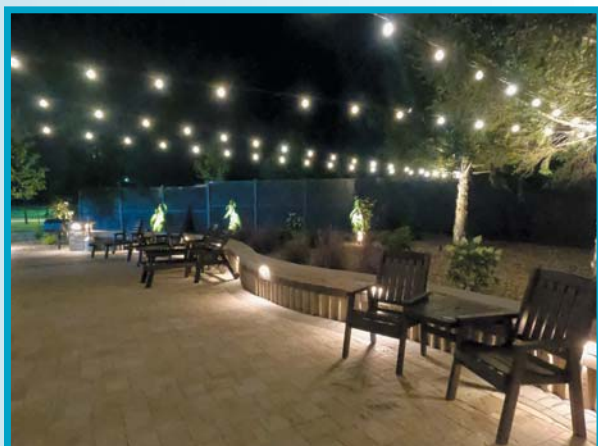

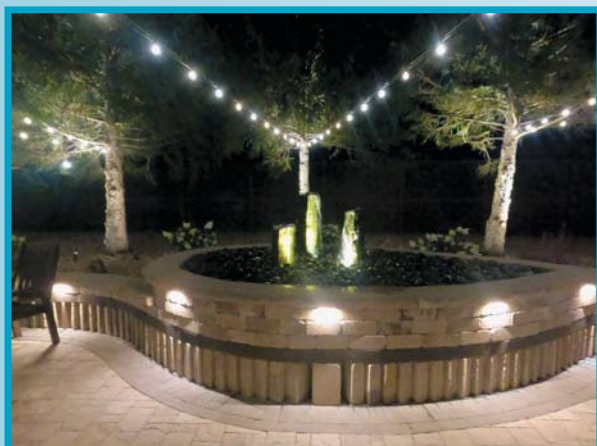

# Caribbean Patio, dining and grills

Stay at Sunset Inn & Suites with your family and enjoy our new patio area adjacent to the pool. Bring your own charcoal and set up your family dinner at the gorgeous outdoor dining area. There are four dining tables that feature seating for six people or gather with friends and a cocktail while enjoying the water feature. On a warm day there are four tanning loungers with a beautiful view of the fountain. At night the lighting creates a wonderful atmosphere any guest would appreciate.

Birthday parties are available Saturdays and Sundays from either 11am to 2pm or 3pm to 6pm. You may choose the smaller party room for up to 30 guests or the larger space for up to 50 guests. Arcade games and vending machines provide a nice compliment to your party.

Please call Front Desk for prices and more information.

# Standard Rooms

## **STANDARD ROOMS: QUEEN/KING ROOMS**

There is nothing standard about our remodeled King and Queen rooms! There are two queen sized custom made beds in our queen rooms. King rooms have custom made pillow top mattresses as well as a recliner. The furniture was specially designed with our guests' comfort in mind. The 32" wall mounted flat screen TV frees up valuable dresser top space for your personal possessions. There are plenty of outlets for all of your electrical needs with easy access. The desk and comfortable chair enable you to work at your optimal level. The granite topped furniture is comparable to any luxury hotel.

Microwave and refrigerator in all rooms and Suites.

# Executive Apartments

## EXECUTIVE APARTMENTS

Are you planning on staying a while at the Sunset Inn & Suites or do you just want to feel as if you are more at home? You may want to check out one of our executive apartments with its kitchenette, separate living room and bedroom area. The living room and bedroom both have 40" wall mounted flat screen TVs with DVD players so you can view your own movies. The stylish furniture will make you feel right at home. In each apartment the sleeping options may vary.

The kitchenette includes a full size refrigerator, electric stove/oven, dishwasher, garbage disposal and countertop peninsula. You will feel right at home when you are cooking your meals (a complete kitchen kit is available for a nominal fee).

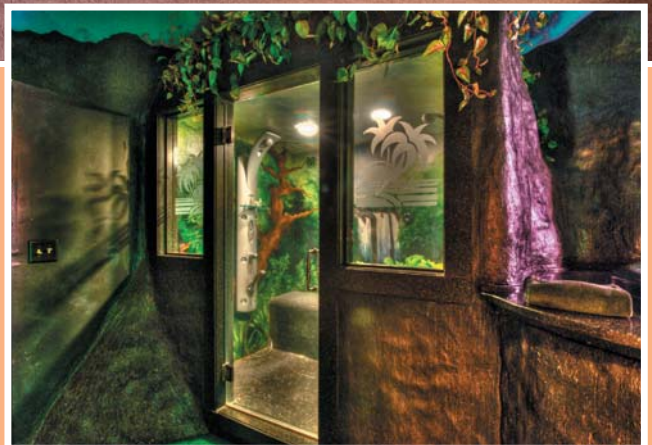

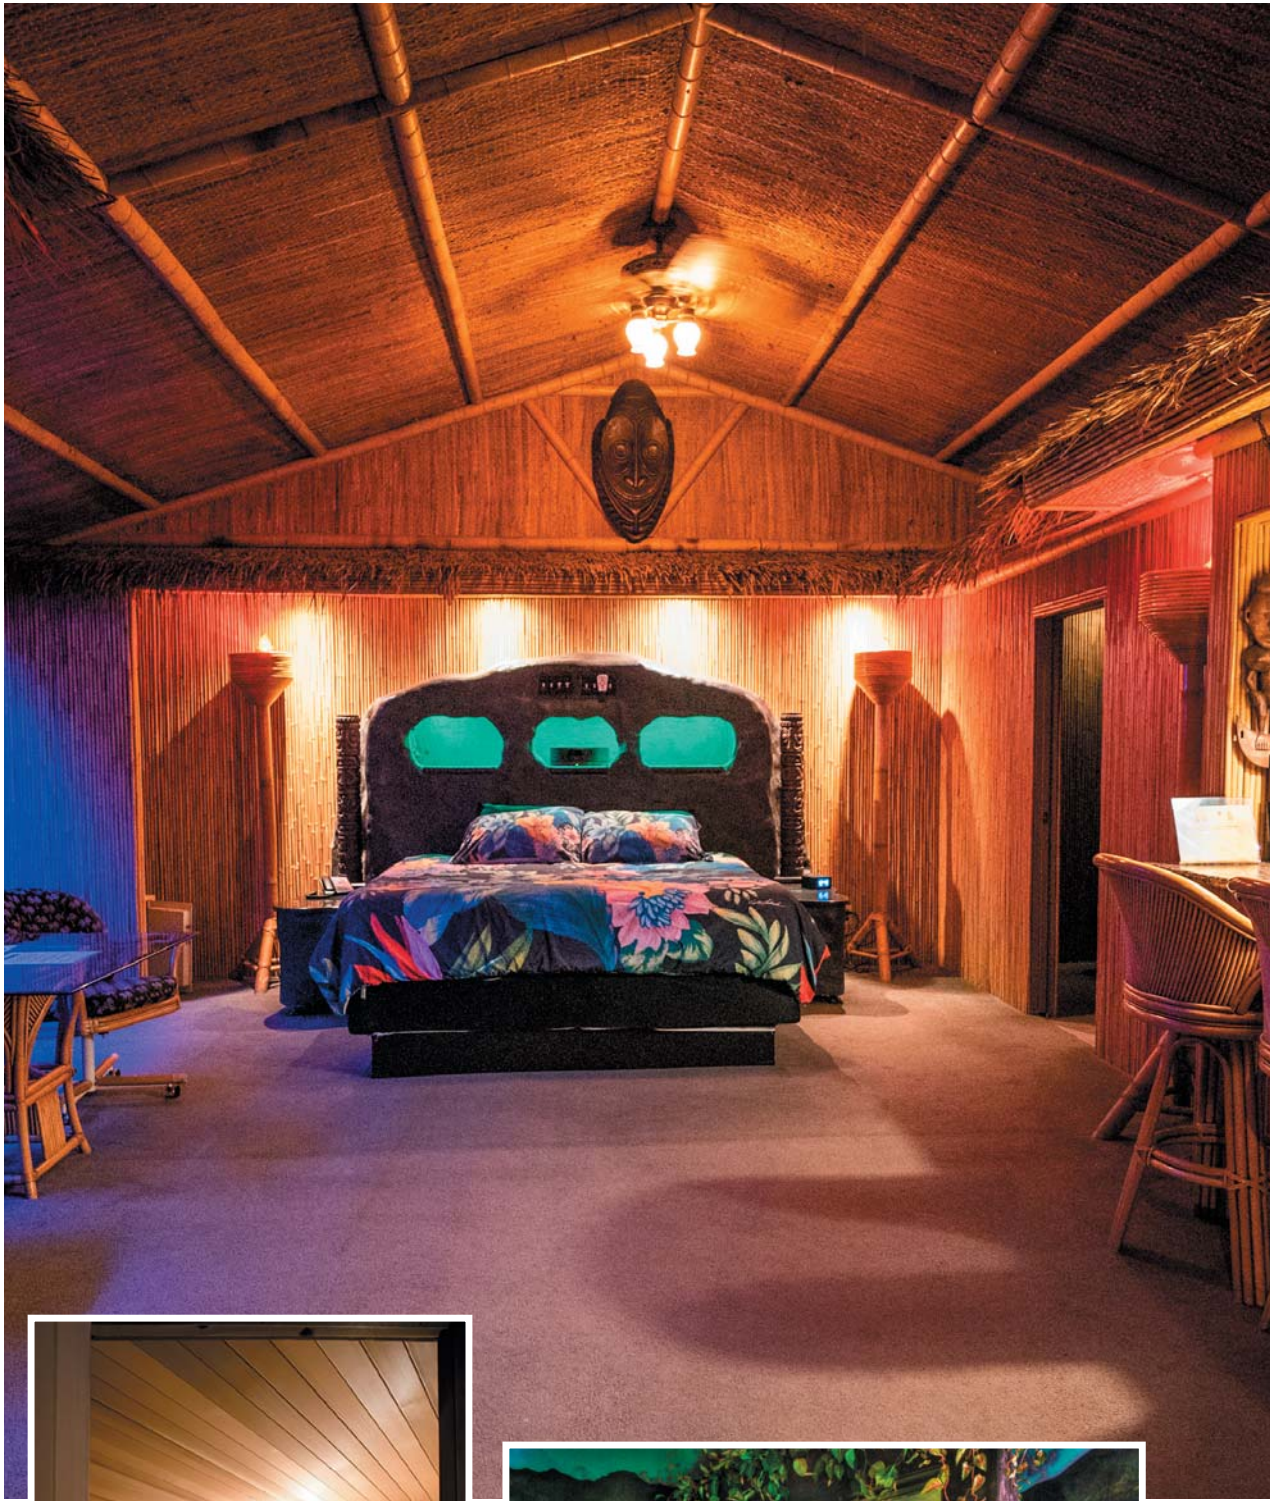

The bedroom has a custom made king size pillow top mattress where you can watch late night TV from the comfort of your bed. There is plenty of storage in the bed's wall unit and dresser. Surf the internet with free high speed internet from anywhere in your apartment.

The bathroom features a walk-in shower and a lighted makeup mirror.

**We have tried to think of everything to make your stay at the Sunset Inn & Suites truly feel as if you are at home!**

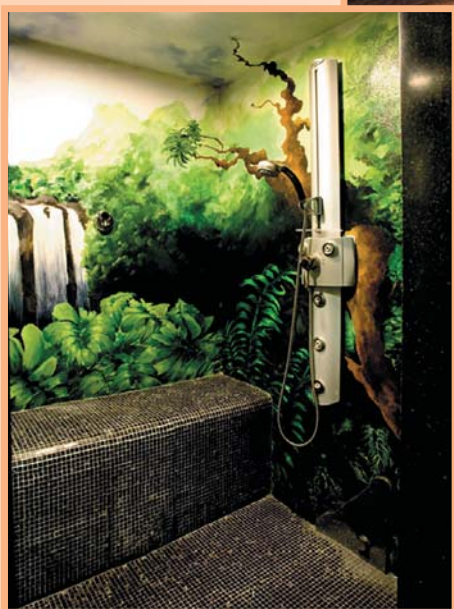

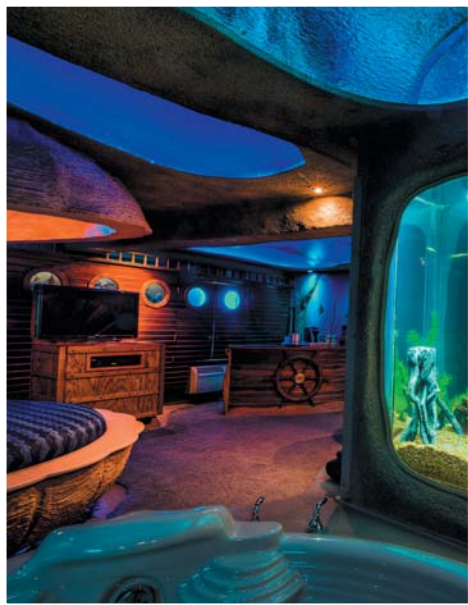

# Hawaiian Waters

Now you can enjoy your own Hawaiian adventure at the Sunset Inn & Suites. You can relax in your private hot tub at the base of a flowing volcano. When you step into your in-room sauna, you will feel as if you are actually in the heat of the tropics! Perhaps you will enjoy a steam shower or an invigorating massage by the very latest in designer showers, the "Raindancer." There is plenty of room for both of you as you enjoy your very own waterfall with a backdrop of lush Hawaiian scenery.

Your Hawaiian adventure doesn't stop there! Your bamboo tiki hut is perfect as you cuddle in your bed and enjoy the spectacular view of a beautiful Hawaiian Sunset. There are two plasma TVs that you can watch from either the bed or the hot tub and there is a third TV in the bathroom so you will not miss a second of your favorite program. You can bring your own movies with you because there is a DVD player that can be viewed from the bed or the hot tub. The wet bar comes equipped with a microwave, refrigerator, and coffeemaker.

You can put out your Do Not Disturb sign, lock the door, and leave your cares outside because you will truly feel as if you are in Hawaii. Everything in the Hawaiian Waters Suite has been designed to give couples a Hawaiian island adventure that is unforgettable.

# Pearl Under the Sea

Explore one of the last great frontiers of the modern world when you journey to the ocean depths in our Pearl Under the Sea Fantasy Suite. Every nuance of this suite creates the feeling of being deep within the ocean's embrace. The giant clam-shaped bed and shell-shaped furniture contribute to your fantasy of exploring the oceans' depths without even having to know how to swim! Our Pearl Under the Sea Fantasy Suite will provide you with the ultimate in showering experiences with the "Raindancer" shower which has its own waterfall as well as a steam shower.

The huge aquarium between the shower and oversized hot tub adds to your sense of being one with the ocean and actually gives you the illusion of swimming with the fish as you shower or bathe. It can also be viewed from the comfort of your bed.

Relax on Neptune's lounge and be entranced as you watch the TV/DVD combination atop the treasure chest! The hull of a sunken ship serves as your bar, fully equipped with a coffeemaker, microwave and refrigerator. The entire room is specially designed to give you and your significant other the feeling of being in an undersea cave with just the fish for company.

Have you ever dreamed of exploring the hidden wonders of the oceans? Then book an unforgettable night in our Pearl Under the Sea Fantasy Suite. It will have you believing in Mermaids and other mystical creatures! Neptune will envy your experience!

# French Chateau

Journey to France without leaving the country! The French Chateau Suite's understated elegance and sophistication are guaranteed to make your holiday an experience you won't forget. Pillars surround the king-size bed and oversized hot tub bath which is equipped with dual motors for your relaxation. The starlight mirror above the hot tub and the additional mirrors over the bed add to your feelings of opulence. Features include a romantic fireplace, and a TV/DVD with swivel base for easy viewing from either the bed or hot tub. The large walk-in shower includes multiple shower heads as well as a hand held shower and bench.

The bar with its coffeemaker, refrigerator and microwave ensures you don't have to return to the States until you're ready! This Suite was designed to make you feel as if you have journeyed to France and are staying in one of the premier hotels in Paris! Experience a taste of France and stay in our French Chateau Fantasy Suite!

Viva La France!

# Paradise Beach

Escape to your very own Tiki Bar on the Beach! Set in the 60's, Paradise Beach allows you and your loved one to travel back to a simpler time when the Beach Boys would be playing on the radio and Annette & Frankie would be frolicking on a beach blanket. Those who don't remember the decade can appreciate the relaxing simplicity of times gone by as much as those reflecting on wonderful memories.

Enjoy Mai Tai's at the Tiki Bar while playing a few rounds of Tiki Toss before melting into the large two person hot tub. The tropical shower will wash away all stress as you gaze upon the beach as the ocean waves gently meet the horizon. Relax in one of the beachside loungers as you imagine the palm trees swaying in the ocean breeze. Everyone loves a sunny day at the beach but nothing compares to watching a beautiful sunset. With the use of special invisible black light paint, the flip of a switch turns your day into a beautiful sunset with the stars and the moon high in the sky. When ready for bed, crawl into your beached boat bed and enjoy the 96" HD projector watching your favorite blu ray or UHD movies.

The meeting of modern technology and retro decor are sure to please everyone looking for a truly amazing getaway!

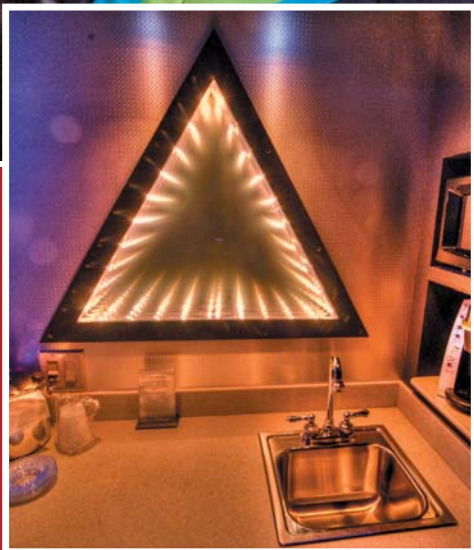

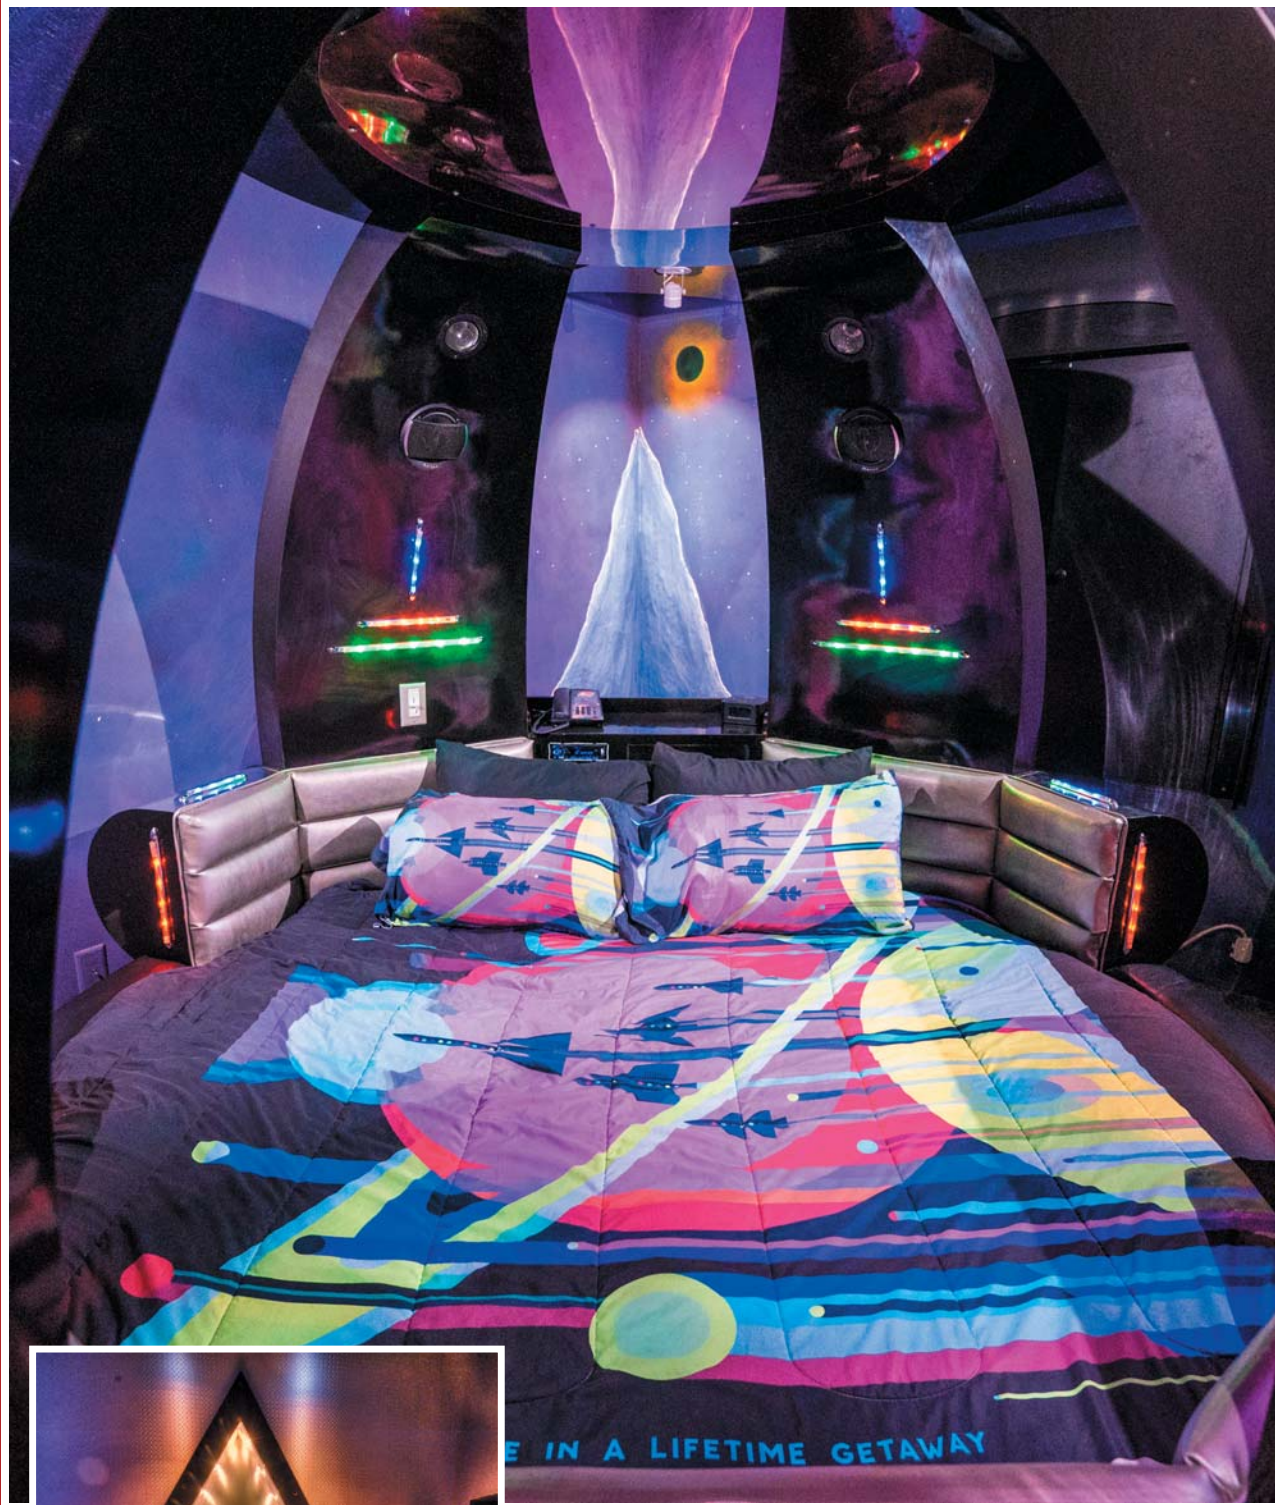

# Rainforest Suite

Escape to paradise in our one of a kind Rainforest Suite. You'll feel as if you are on an exotic adventure to the rainforests of the Amazon. Subtle lighting creates the feeling of being deep in a tropical jungle minus the snakes and spiders! The lush foliage will whisk you away from the ho-hum of everyday life. Mirrors, rocks, and foliage surround the hot tub with its own waterfall. The gentle glow of starlight seems to shine down on you from the night sky as you cuddle in your bed or relax in the whirlpool.

The round bed with its specially designed Serenity Latex Mattress is nestled among trees as it cocoons you in the quiet harmony of nature's embrace. A large steam shower with bench only adds to your tropical adventure. Kick back and enjoy a movie in the TV/DVD or listen to your own choice of music from the comfort of your bed. All of the suites' many special lighting and sound effects can be controlled from your bed. The bar with its microwave and refrigerator enables you to bask in the comforts of the Rainforest Suite without leaving for food or drink.

In the morning enjoy a cup of coffee from the automatic coffeemaker you will find in your Suite.

E IN A LIFETIME GETAWAY

# Space Odyssey

## Space, the final frontier.

For the truly adventuresome, try the ultimate in fantasy adventures, our Space Odyssey Suite. Experience the feeling of flying among the stars as you enjoy the comfort of your Serenity Latex Mattress, specially designed for your spaceship bed. The triangular hot tub bath glows softly under the stars from a multitude of different galaxies as you enjoy watching movies on your big screen television. The DVD provided ensures you can watch all the Sci Fi movies you bring while staying with us.

The steam shower is equipped with the "Raindancer Shower" which is almost as good as having a masseuse in the room with you. Your wet bar comes complete with a microwave, refrigerator and coffeemaker so you will not have to leave your spaceship until you are done exploring the universe and are ready to return to Earth! Your mission, should you decide to accept it, is to enjoy your outer space experience and boldly go where no others have gone before.

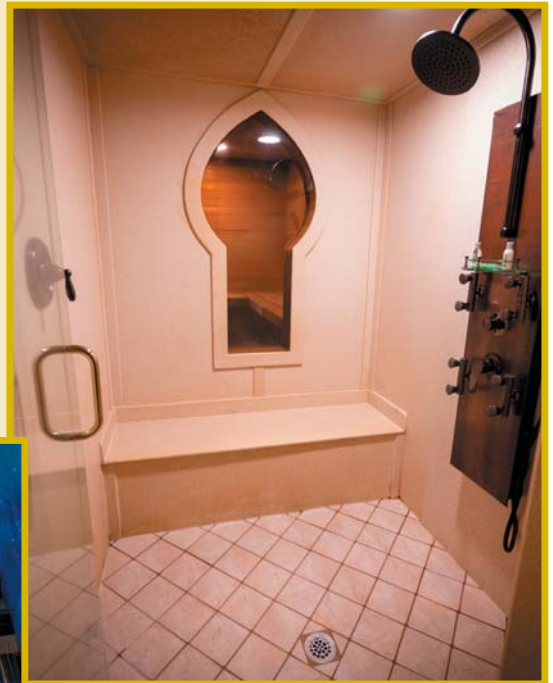

# Arabian Nights

Take a magic carpet ride to the enchanted land of Aladdin's Arabia. Let yourself be transported back to a time of Genies and magic. Relax in a secluded desert oasis. You will find yourself wondering if it is a mirage.

Hide away from the cares of the world in a lavish Sheik's tent. Enjoy the sumptuous octagonal bed with its Serenity Latex Mattress as you lay under the starry desert night. The rich fabric covering the walls and gently draped ceiling will truly make you feel as if you are in a fabulously furnished tent in the desert.

The dry desert heat can be felt when you step into your private sauna. The "Raindancer Shower" is an indulgence you won't want to miss with its multiple spray zones to give you the ultimate in fantasy shower experiences. The steam shower offers you a different type of heat to enjoy. The Arabian Nights Suite has two TV/ DVD combinations so you can enjoy watching a movie from either the comfort of your bed or the hot tub.

The dry bar has a coffeemaker, microwave and refrigerator for your convenience. You will never want to leave your magical desert hideaway unless you want to. Enjoy your magic carpet ride to mystical Arabia. We hope the Genie grants all your wishes.

# Wine & Roses

What couple can resist the allure of wine and the subtle message a bouquet of roses conveys? The Wine & Roses Suite embodies the symbols of romance and passion. The rich crimson hot tub is surrounded by climbing rose vines to enhance your bathing experience. The four poster King bed embraces a couple in sensuous luxury.

With the touch of a button, the "Raindancer Shower" becomes your own personal masseuse and the candelabra shower head cascades down on you. A sauna and steam shower enhance your experience in our Wine and Roses Suite. Bring your own DVDs and CDs to create exactly the right mood to go with the ambience in this unique Suite. Rekindle the romance and passion of your relationship in the Wine & Roses Suite.

# Cabin Fever

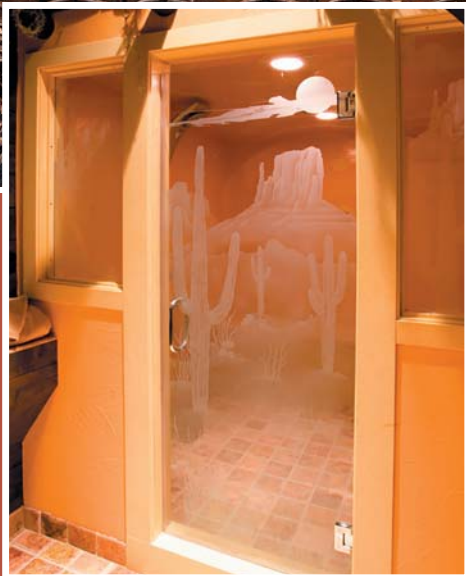

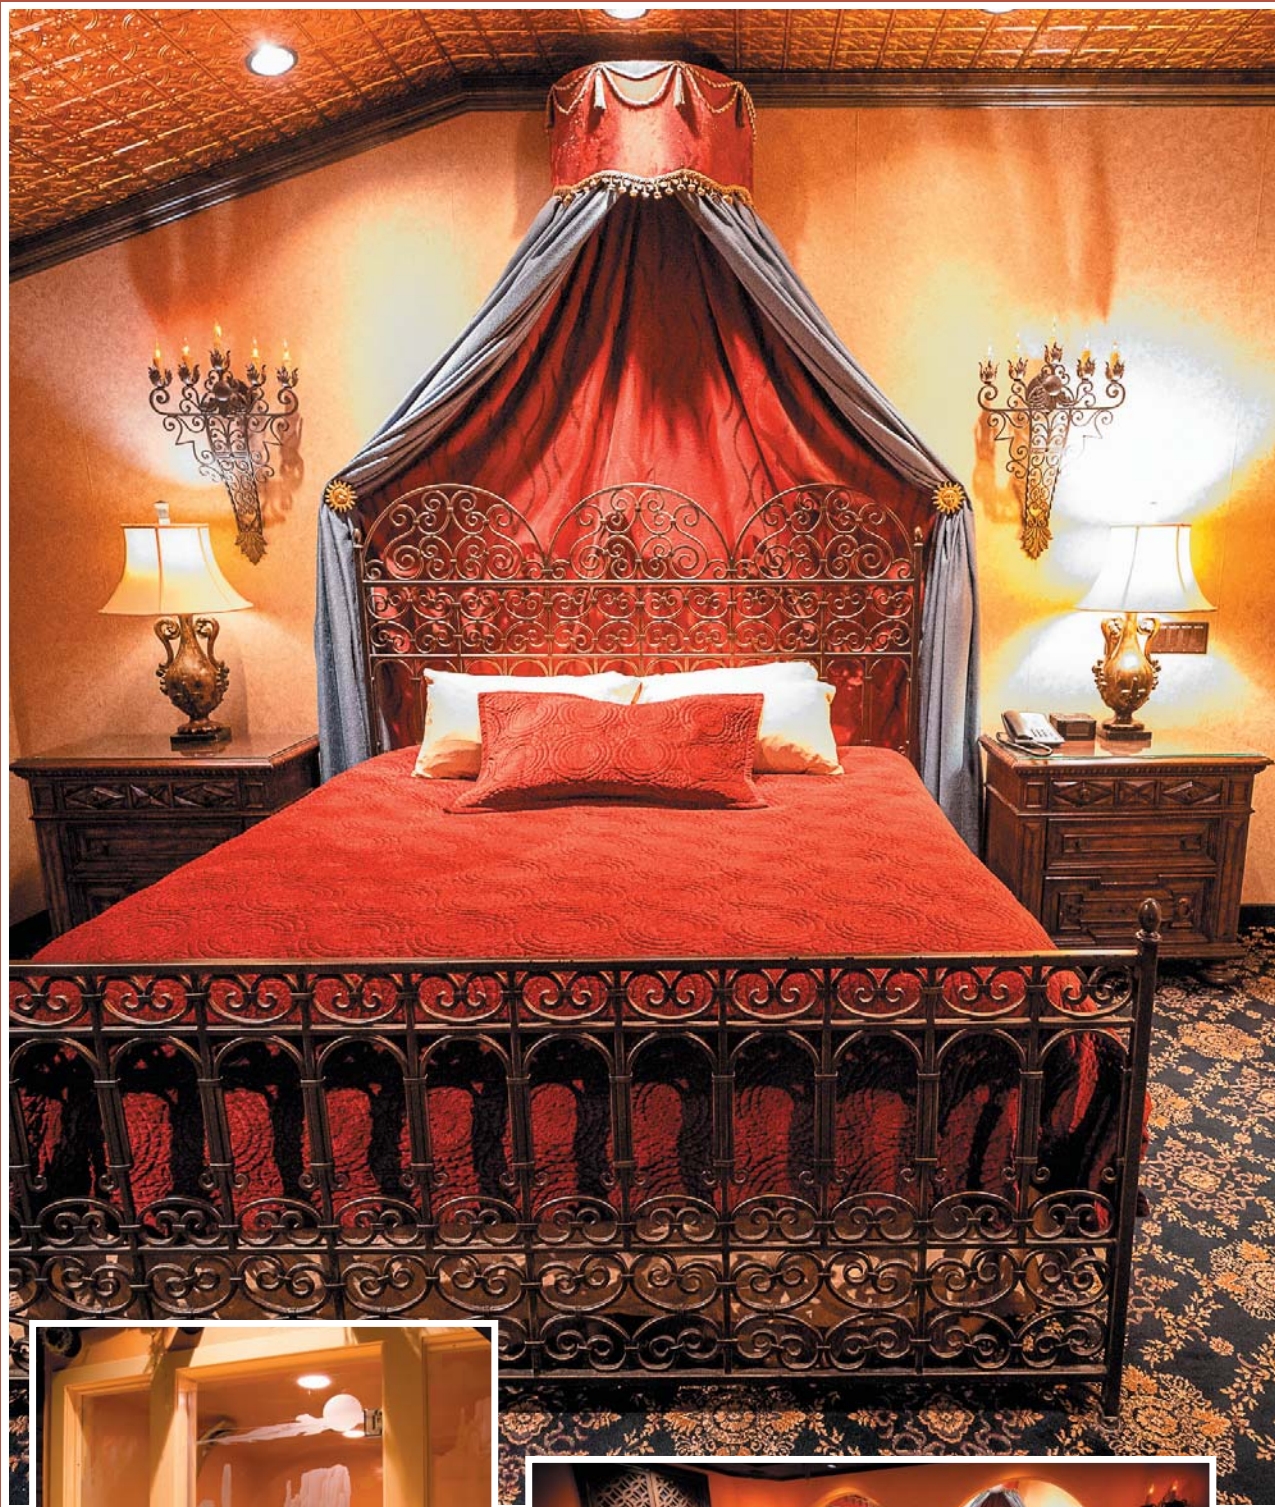

Do you have Cabin Fever? You know that insatiable urge to just chuck it all and get away from the hectic, chaotic stress of your everyday life? Have you always secretly longed for a cozy mountain cabin to retreat to when the pressures of your family and job get to be too much for you?

Our Cabin Fever Suite might not be set in the Rocky Mountains, but it will certainly give you the illusion you are there. Every detail has been scrutinized so that you and your significant other can relax in your mountain cabin. The log beamed ceiling and walls and the majestic stone hearth fireplace will satisfy anyone yearning for their own cozy cabin. The hot tub is made just for two with comfortable seats and so many jets you will feel as if you are getting a massage while watching the large TV located for perfect viewing from the comfort of the tub. The pine trees surrounding the tub, and the scenic mountain view etched into the window separating the hot tub from the shower are further enhanced by the ever changing fiber optic lights in the hot tub. Check out the sauna and then take a cool relaxing shower. The huge shower is fully loaded with all the features such as a steam shower, massaging showerhead and overhead showerheads that make you feel as if you are standing under a waterfall.

All of the furniture was specially designed for our Cabin Fever Suite. The hand-crafted bed with its custom designed mattress will envelope you in such comfort you will never want to leave! The flat screen oversized TV located above the fireplace can be viewed from the bed or the chairs, whichever you prefer. There's even a TV in the bathroom so you won't miss a moment of your program.

What could be more romantic than sipping a glass of wine while cuddling on the soft fur rug in front of a crackling fire? Sip a cup of coffee in the morning before you have to leave your Cabin to head back to civilization. The Sunset Inn and Suite's version of a cozy Mountain Cabin will make anyone want to move to the Rockies! There are so many amenities in the Cabin Fever Suite; one night will not be enough! A DVD, CD player, coffeemaker, three TVs, refrigerator, microwave, and wet bar are just a few of the amenities provided to enhance your enjoyment. Stay in the Cabin Fever Suite and get away from it all! You and your significant other will enjoy a break from civilization.

# South of the Border

Bienvenido to our South of the Border Suite! It is a stunning tribute to our southern neighbors in Latin America – the land of beautiful *Senoritas* and dashing *Senores*. The land where *Amor* flourishes under starry nights and passions run hot under a blazing sun. Even the most intensely passionate Latino takes a siesta and the perfect place to rest is in one of the two relaxing chairs next to the center water fountain. Take a break from all the hot Latin emotion and let the soothing bubbling waters of the fountain calm you and your *Amor*.

The bed is specially ordered from the Wynn Hotel line in Las Vegas, Nevada. The brilliant colors of the drapery flowing from the ceiling and the wrought iron bed will cradle you in luxury. You will feel as if you are one of the *la gente rica* in their *grande hacienda*! The candles flickering in their wrought iron wall sconces cast a romantic glow over the suite. Bathe in old world elegance when you ascend the steps to the hot tub magnifico. If you like, you can watch television on one of the three flat screen televisions located throughout the suite for your viewing ease. There's nothing like relaxing in the sauna or the steam shower to make you feel as if you are having a world class experience!

The shower is loaded with everything you need to make your showering not just a shower, but an adventure. The massaging shower heads are sure to relax the two of you and calm that Latin passion!

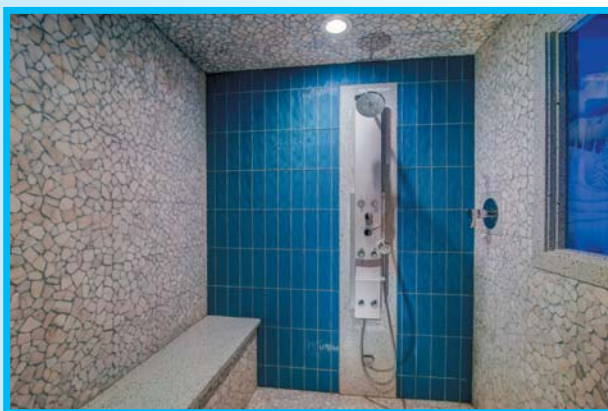

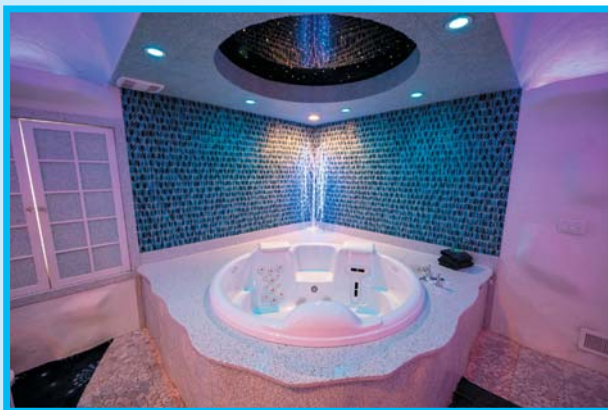

Bring your blender and make margaritas. Bring your own CDs to play. Enjoy a cup of coffee the next morning before you come back to the unpredictable North American climate. The South of the Border Suite is sure to make anyone feel the flare of Latino passion.

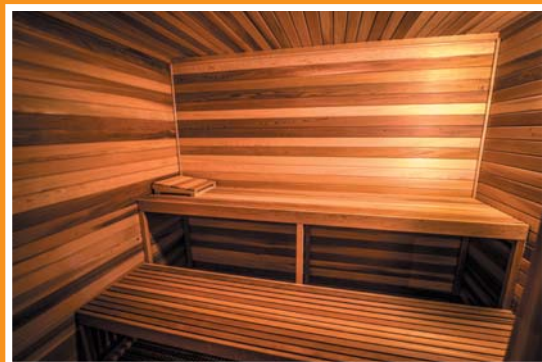

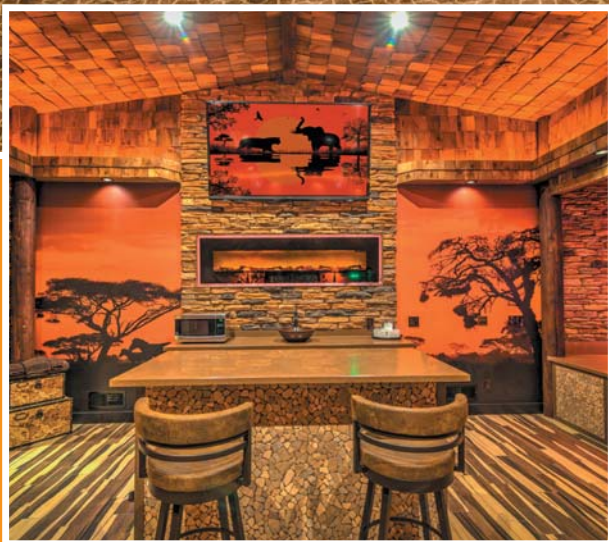

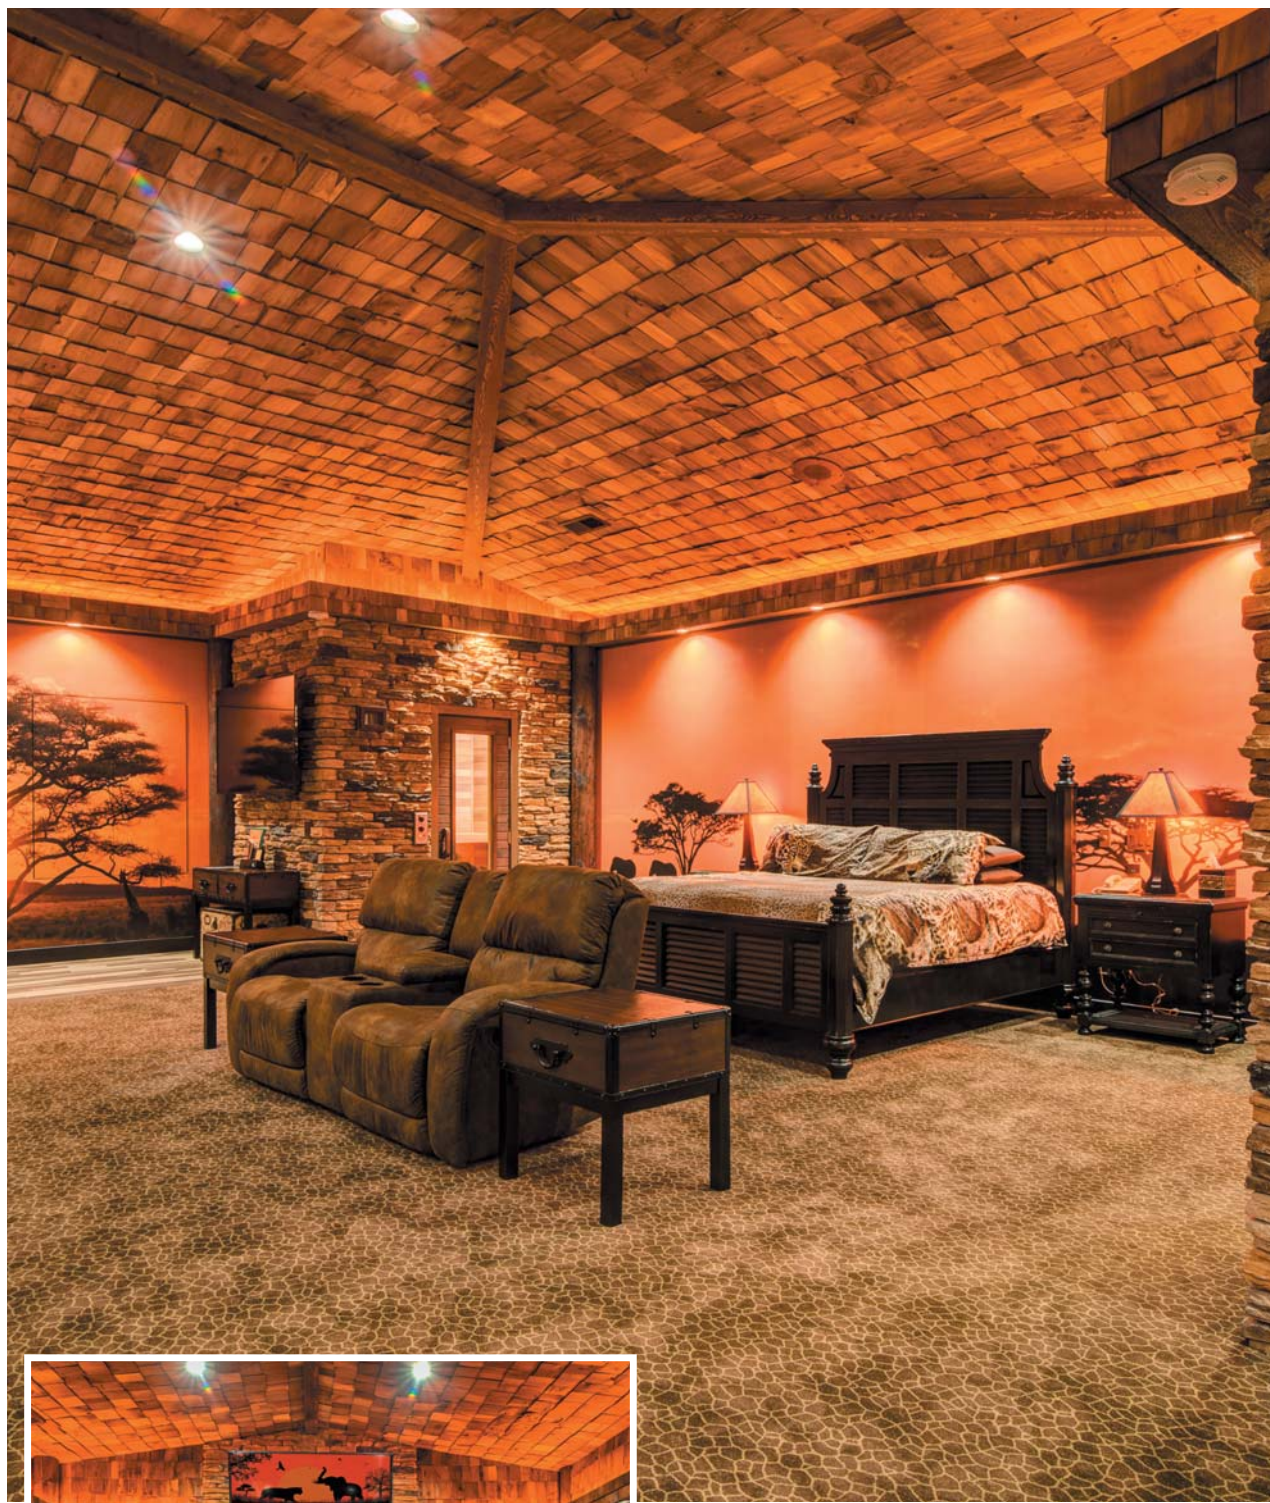

# Starlight Glacier

The majestic beauty of Alaska is showcased in the beautiful Starlight Glacier Suite here at the Sunset Inn and Suites. From the snow covered walls to the frosty bar, you and your significant other will be transported to the frozen tundra of Alaska. When the door opens to your fantasy suite, you will be greeted by the stunning four sided fireplace reminiscent of Alaska's towering snow capped mountains. The ever changing lights of the four fireplaces will make you think of the beautiful Northern Lights dancing across the night sky as you cuddle on the recliners or sip a glass of wine while relaxing in your own hot tub. If the cold gets to you, step into the sauna or spacious steam shower with its fantasy inspired lighting and multiple water jets. Be sure to take a picture with Kermode (Eskimo for White Spirit Bear), the suite's resident polar bear before you leave. All of the lights can be controlled from the comfort of your luscious bed. Snuggle under the soft luxurious bedspread as you watch a favorite romantic movie on one of the three flat screen TVs in your suite. The gentle sound of water cascading in the suite's fountain will soothe your troubled spirits as you let your everyday problems fade away and enjoy the wonders of the Starlight Glacier Suite.

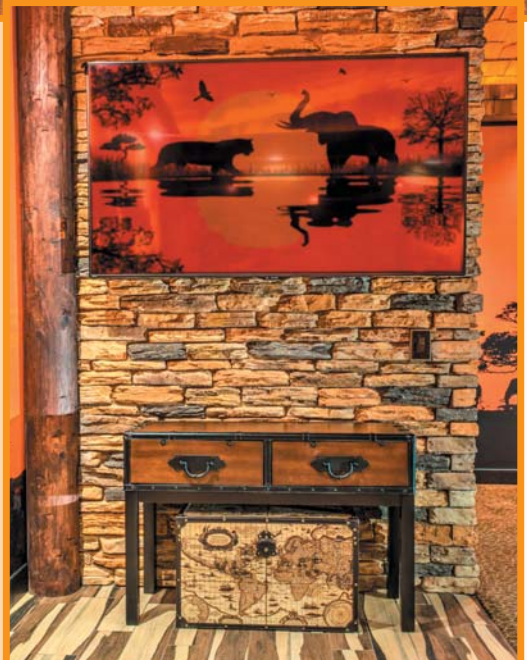

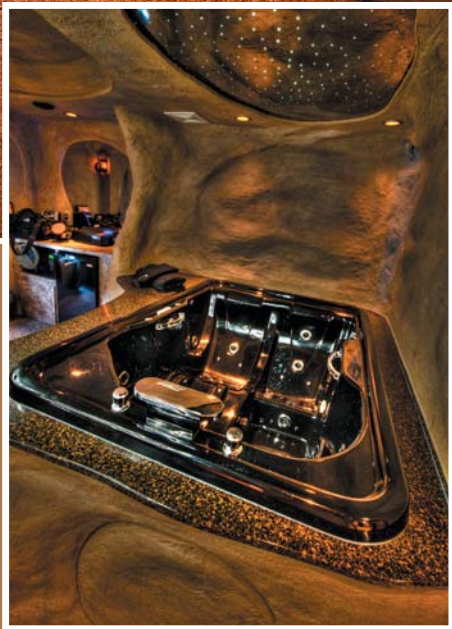

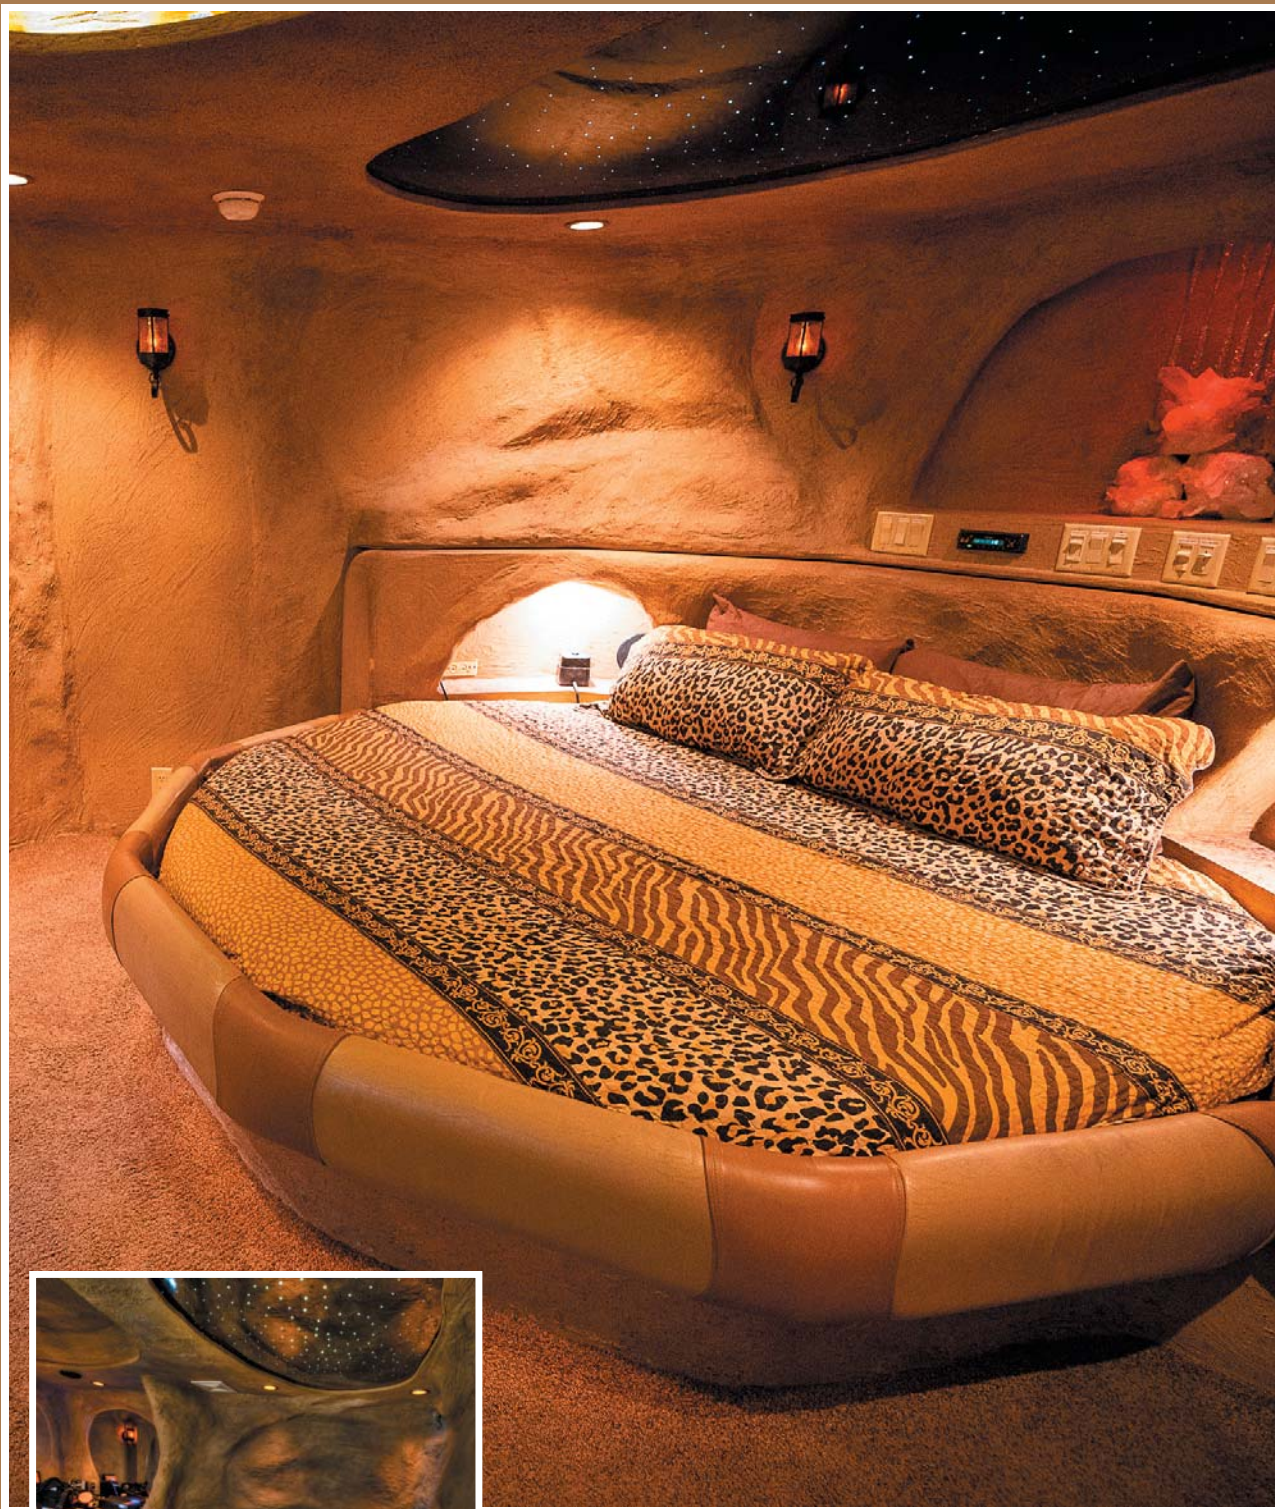

# Safari Adventure

The Safari Adventure Suite is truly an adventure! Travel to the exotic untamed land of Africa in this amazing Fantasy Suite! Your journey starts the moment you open the door and step across the threshold into your own private African Bungalow. You are surrounded by the vastness of Africa you could only dream about exploring until now. The soft glow of an African sunset is highlighted against the shadowy silhouettes of the varied and colorful wildlife Africa is famous for. Gaze upon graceful giraffes stretching their elegant long necks to nibble on tender leaves high up in the trees or a parade of elephants lazily lumbering on the distant horizon as you sip a refreshing mojito in the comfort of your secluded hot tub with its multiple jets. You can almost hear the roar of a far off lion as you snuggle in your luxurious bed while watching the embers glow in the 70 inch fireplace and 80 inch flat screen TV dominating the wall behind the wet bar with microwave and refrigerator. The dry heat of the African Sahara can be experienced in the sauna tucked away in its own corner stone hut. You will imagine you are underneath a jungle waterfall when you use the over-sized shower with multiple jets and steam shower features. The large bench invites you to sit awhile and just enjoy the tranquility.

Relax in the easy chairs and enjoy your favorite movie on either of the two enormous flat screen TVs. One is 70 inches and the other is 80 inches. Listen to your favorite music through the overhead speakers. Let the Safari Adventure Suite's ambiance whisk you and your significant other away from Central Illinois! One night will truly not be enough to experience our Safari Adventure Suite!

# Crystal Cave

From the moment you open the door of your Crystal Cave Suite you feel as if you've ventured into a fantastic underground crystal cavern. Flickering torch lights gently guide you as you begin your exploration of our version of cave dwelling. Each chamber has its own atmosphere to enhance your total cave dwelling experience. Stand under a cascading waterfall or enjoy a soothing steam shower. The sauna will relax your mind and body. You'll discover the latest in designer hot tubs featuring fiber optic mood setting lights as the therapeutic jets massage your aches away. The round bed with its Serenity Latex Mattress rests upon a pedestal and is covered with an animal print bedspread. A wonderful crystal sculpture holds a place of honor in its own special resting place and is bathed in the soft glow of light, which is constantly changing colors.

You can watch the flickering of the dancing flames of the fireplace or enjoy a DVD movie in one of two TV/DVD combinations in your Suite. They can be viewed from the whirlpool bath or bed. Your suite comes equipped with a microwave, refrigerator and coffeemaker.

The Flintstones never had it as well as you will when you enjoy all that our Crystal Cave Fantasy Suite has to offer.
